MEMORANDUM FOR: Executive Chairman, NFIB
FROM: Chairman, Information Handling Committee
SUBJECT: Use of Contract Employees
REFERENCE: Memo dtd 29 July 1982, same subject

1. In relation to the IHC, we do not anticipate participation by contract employees of the DOE in IHC work.

2. Even if the occasion should arise, none of the concerns expressed in the referenced memorandum would apply to the work of the IHC.

3. Since I lack a sufficient basis of information to form a judgment as to potential problems in connection with the work of other committees, I am unable to offer any recommendations as to policy on this issue.
